ACHT interactive conference Mobile App by Whova is available for download before, during and after the conference.

App provides attendees with instant access and search capability to detailed educational sessions, faculty, abstracts, event information, exhibitors, hotels, schedule-planning and mapping functionality

Digital Marketing opportunities available via the app include:

- Corporate or product banner ad at the bottom of each app page
- Engage with attendees, staff and speakers via in-app Q&A, live polls, chat and photo sharing
- Corporate logo recognition in digital conference brochure
- Your custom corporate listing within the app with tailored message and links

App is web-based and downloadable for all smartphone platforms and web-enabled devices
